PJC GRINDING SERVICE

We at PJC Sportsturf, offer an unparalleled & unmatched grinding service that is tailored to the customer's requirements, with the fastest turnaround!

Our highly trained grinding technicians ensure mower heads are sharpened to the highest standard using the Bernhardt Grinding system – the foremost system in the world.

Spin & relief grinding is available together with bedknife replacement or re-grind.

All reels are checked for tapering (coning) & rectified. Reel & roller bearings will be replaced accordingly & height of cut will be set to the customer's requirements.

Pick up & delivery of heads is available on request.
