

OARS®

The Corrective Approach

GENERAL INFORMATION

OARS is the corrective approach to manage the buildup of organic acids that coat the surface of sand particles which cause soil water repellency and localized dry spot conditions. When used as directed, **OARS** is safe to turf and can be applied at anytime of the year to avoid the detrimental impact of water repellency stress and localized dry spots on turf and to increase the vigorous appearance of turfgrass. **OARS** is easy to apply through standard spray application equipment to all turfgrass areas.

CONDITIONS OF SALE

WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

OARS comes with a 100% money back guarantee. If you are not satisfied with OARS for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.

CONTAINS NON-PLANT FOOD INGREDIENTS:

Active Ingredients

- 80% Polyoxyalkylene polymers
- 10% Potassium salt of alkyl substituted maleic acid
- 10% Inert ingredients

DIRECTIONS FOR USE

Golf, Lawns, and Sports Turf

Apply 6 to 7 ounces per 1,000 ft² in 2 gallons of water (20 to 23 L/ha in 800 L) at 30 day intervals or as needed.

For increased penetration and surface firmness, apply 7 ounces per 1,000 ft² in 2 gallons of water (23 L/ha in 800 L) at 15 day intervals or as needed.

Irrigate after each application to remove the surfactant from the plant surfaces.

DO NOT combine **OARS** in the spray tank with pesticides or fertilizers unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions.

HAZARD STATEMENT(S)

Causes skin irritation. Causes serious eye damage.

PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. Wash skin thoroughly after handling. Wear eye protection/ face protection. Wear protective gloves. IF ON SKIN: Wash with plenty of soap and water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or physician. If skin irritation occurs: Get medical advice/ attention. Take off contaminated clothing and wash before reuse.
